6th National Summit

September 20–21, 2025

The Vanguard Hotel

Ann Arbor, MI

About NAAMA NextGen

About Us

Founded in 2018 by Dr. Rouba Ali-Fehmi during her presidency of the National Arab American Medical Association, NAAMA NextGen began at Wayne State University and has since grown into a nationwide network of 50+ chapters. The organization unites Arab American students and young professionals in healthcare, fostering career development, cultural identity, and community service. Through mentorship, professional development, social engagement, and philanthropy, NAAMA NextGen empowers members to become the next generation of Arab American healthcare leaders.

Mission

We bring together Arab American healthcare students and help them with their career goals.

Vision

To have...

1. Expanded as a community
2. Successfully brought together Arab Americans
3. Helped our members become healthcare professionals
